

Hospice at Home

Carlisle and North Lakeland

News release

Dress to impress is the order of the evening for a Fun Fundraising Casino event for Hospice at Home Carlisle and North Lakeland

Ever fancied a spin of the roulette wheel? Well now's your chance as Hospice at Home are holding a fun Casino Evening in the Patterson Suite at Carlisle Racecourse on Friday 22nd October 7.30pm for 8pm.

The event is for ladies and men of all ages so why not hunt out those evening dresses and suits for a special evening and try your hand at roulette, black jack and wheel of fortune. Don't worry if you have never visited a casino before as all croupiers are friendly, professional and experienced at dealing with both the novice and the more experienced player.

A grand prize is available for the winner of the occasion with many prizes kindly donated from Carlisle businesses to win throughout the evening on the wheel of fortune.

Tickets are £10 each which will include canapés on arrival with casino chips to start your evening.

This is a fun event so why not come along with work colleagues, a group of friends or perhaps your family and enjoy a Las Vegas evening here in Carlisle.

To add to the evening a photographer will meet you on arrival where you have the opportunity of a photo shoot beside one of Dumfries Limo Companies selection of luxurious limousines or hummers.

The Charity greatly appreciate the support of many Carlisle Businesses who have supported the event with prizes and auction lots and especially would like to thank Casa de Modas House of Fashion and Dumfries Limo Company for sponsoring the Casino Evening.

Don't miss out on this event as tickets are limited so please contact the office to book on 01768 210719 or buy from our on line shop at www.hospiceathome.co.uk

Hospice at Home Carlisle and North Lakeland provides a free palliative nursing service for anyone in the north and east of Cumbria who is terminally ill and wants to be nursed at home with all that is loved and familiar around them. They also provide support to the patient's family and loved ones. The charity must raise £9,500 each week to continue to do so.
